**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a user of Sonic broadband services because they provide better services and are more competitive. Competition to ATT must be allowed.

I understand UNEs are critical to the continued operation of Sonic and other similar competitors.

I oppose the petition.

Please support access to communities to independent broadband.
